

Happy Feet! Quilted Sneakers
Instructor: Joan Radell

Kit Information, Sizing Information, Supply List, Pre-Class Prep

Your kit includes sneaker soles, padded insoles and the sneaker pattern and guide. Any incidental materials will be supplied; you just need to come prepared with your fabrics, foam interlining and interfacing. We'll be making hi-top sneakers, but you can opt for classic sneakers (like Keds.) The supply list is the same for both styles.

Please make sure that you indicate what size shoe you need and if you prefer black or white soles when you register! The soles are sized in European sizing; here's a conversion chart:
